# Athens Marathon The Authentic

Sunday Nov 9, 2025

2024 I Run the Globe Inc.

## Details

The "Athens Marathon the Authentic" is famous for replicating **Pheidippides'** actual route. As you may know, he was the one who ran from Marathon to Athens in 490 BC to deliver news of a military victory.

There are two other races besides the marathon; you can run the **10K** or the **5K** races (perfect to bring the whole family). All races finish in the historic Panathenaic Stadium.

The marathon is obviously following the original route, as previously mentioned. However, you will be visiting during your performance. Several **landmarks** will be visible along the route.

The starting line is near the Kolpos peninsula, which is located near the beach. The race will be flat for the first 10K, followed by some elevation before reaching the finish line, which will be more than 100 meters above sea level. Aside from the challenge, the race is breathtaking in terms of scenery; you'll feel as if you've stepped back in time.

Athens has hundreds of things to do. Of course, you must see both the **Acropolis** and the **Parthenon**. The Dionysus Theatre should be on your bucket list, and there are numerous cruises departing from Athens that you could try.
