## Details

The **TCS London Marathon** has become one of the most desirable races in the world. Known for its flat course, this gem of a marathon will be memorable when you cross the finish line in front of Buckingham Palace. Get your guaranteed entry with "I Run the Globe" to participate in the largest race in Europe.

The London Marathon is one of the **Abbott World Marathon Majors**, along with Boston, New York, Tokyo, Chicago, and Berlin, making it a mandatory race to complete your 6-star medal quest.

Moreover, this course will take you through many of the city's historic landmarks. During your 42.195 km journey, you will run across Tower Bridge, through the 'City of London' (financial district), past Big Ben, and finish at the iconic Buckingham Palace.

London's numerous attractions have made it one of the world's most popular tourist destinations, drawing approximately 28 million visitors annually.

It is easy to use **public transportation** in London. The Tube, as the Brits call it, is simple to navigate, while the red double-decker buses offer the opportunity to see the city at ground level.
