BANK OF AMERICA CHICAGO MARATHON

Details

2026 marks the **48th edition** of the Chicago marathon. Get your guaranteed entry and cross the finish line in Grant Park!

The “Bank of America Chicago Marathon” now holds the world record for both men’s and women’s marathon times. Kelvin Kiptum set the men’s world record in 2023, and Ruth Chepngetich broke the women’s record in 2024 making this marathon the fastest in the world!

The marathon is known for being a flat course. Runners from around the world come to Chicago to chase their **personal best**. Moreover, it is also famous for the large crowd along the route, which creates unforgettable memories.

This course will take you through **29 of Windy City’s neighborhoods**. Those include The Loop, Lincoln Park, Chinatown and Prairie District.

With almost a **million spectators** and a carnival atmosphere in the streets of Windy City, the race is an unforgettable experience.

The city has many attractions that are worth visiting. The museum of Science and industry is the largest science center in the Western Hemisphere. You can jog along the pathway sideways to **Lake Michigan**. For city views, the John Hancock Tower or the Willis Tower should be on your bucket list as well.
