Details

The 2027 edition of the **TCS London Marathon** will be held over two days, with the race organizers aiming to make London the largest marathon in the world. Renowned for its flat and fast course, this iconic race offers an unforgettable experience, culminating with a spectacular finish on The Mall, just steps from Buckingham Palace.

Secure your guaranteed entry with I Run the Globe and be part of what is set to become the **largest marathon in the world**.

The London Marathon is one of the **Abbott World Marathon Majors**, along with Boston, New York, Tokyo, Chicago, Berlin, Sydney and Cape Town making it a mandatory race to complete your 8-star medal quest.

Moreover, this course will take you through many of the city's historic landmarks. During your 42.195 km journey, you will run across Tower Bridge, through the 'City of London' (financial district), past Big Ben, and finish at the iconic Buckingham Palace.

London's numerous attractions have made it one of the world's most popular tourist destinations, drawing approximately 28 million visitors annually.

It is easy to use **public transportation** in London. The Tube, as the Brits call it, is simple to navigate, while the red double-decker buses offer the opportunity to see the city at ground level.
